Refugee Health Information Network (RHIN™)

Refugee Health Annual Meeting
Anaheim, CA
July 23-24, 2009

John Scott
Executive Director, Refugee Health Information Network
President, Center for Public Service Communications

RHIN™ Objectives

- Identify and make accessible culturally and linguistically appropriate health and medical information
  - In RHIN™ database
  - At trusted partner locations (National Library of Medicine, EthnoMed and Healthy Roads Media)
- Enable and encourage a "culture of information sharing and communications" among health providers who specialize in refugee health

Tips for Taking INH:

1. Take your INH at the same time each day. Use a calendar to cross off each time you take a tablet. It is very important not to miss one day of your medicine.
2. Do not drink alcoholic beverages while taking this medication.
3. Keep your INH in a safe place out of reach of children.
4. Remember to keep all your appointments.
5. If you develop side effects, call the county health department nurse who is managing your treatment or your physician.
6. Special Instructions:

Chỉ Dẫn Cách Dùng Thuốc INH:

1. Dùng thuốc INH vào giờ nhất định trong ngày. Dùng một tờ lịch để đánh dấu mỗi lần dùng thuốc. Điều này vô cùng hệ trọng nhằm để tránh bỏ quên một ngày thuốc.
2. Không uống nước có chất cồn trong lúc dùng thuốc này.
3. Để thuốc INH ở nơi an toàn tránh xa tầm tay trẻ em.
4. Luôn giữ đúng hẹn.
5. Nếu quý vị bị phản ứng phụ, xin gọi cho y tá thuộc ban y tế quận đang lo liệu việc chữa trị quý vị hay bác sĩ gia đình.
6. Chỉ dẫn đặc biệt:
