Re: AB 1500 (Carillo): Hazardous substances. (Support)

Dear Dr. Smith:

The California Conference of Local Health Officers (CCLHO) voted at the CCLHO Board meeting on April 4, 2019 to take a Support recommendation on AB 1500 (Carillo), a bill that would repeal the provision authorizing a Unified Program Agency (UPA) to suspend or revoke a unified program facility permit, or an element of a unified program facility permit, for not paying the permit fee or a fine or penalty associated with the permit. The bill would authorize the UPA, if a permittee does not comply with a written notice from the UPA to make those payments by the specified date, in addition to suspending or revoking the permit or permit element, to withhold issuance of the permit or permit element.

CCLHO was established in statute in 1947 to advise the California Department of Health Services (now California Department of Public Health), other departments, boards, commissions, and officials of federal, state and local agencies, the Legislature and other organizations on all matters affecting health. CCLHO membership consists of all legally appointed physician health officers in California's 61 city and county jurisdictions.

Should you have any questions, please contact me by email at roidham@placer.ca.gov or by phone at (530) 745-3121. Thank you.

Sincerely,

Robert L. Oldham, MD, MSHA
President, California Conference of Local Health Officers
