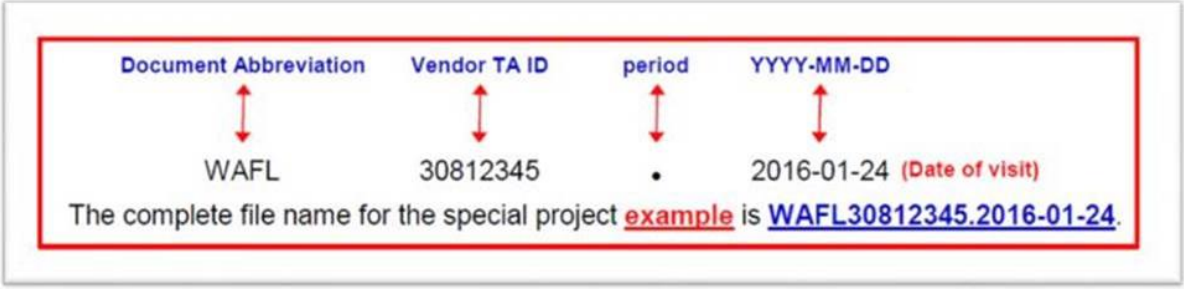
Instructions for Using the Special Project: Revised WIC Authorized Food List Shopping Guide (WAFL SG) Tracking Log

1. Click on the link to the *Revised WAFL SG Tracking Log* on the LVL Main Page: LVL Working Documents – Special Project Forms web page. Be sure you always use the link listed on the WIC website to access the most recent version of the tracking log.

2. Save a copy of the tracking log to your computer desktop and close the form.

3. Use Adobe Reader to open the form you saved in Step 2, and rename the document with the following file naming instruction.



4. Complete the tracking log; include all information that is required.

5. E-mail the completed tracking log (saved on your computer, not a scanned version) to LVLTAReports@cdph.ca.gov.
