

WIC Materials For Authorized Vendors Ordering Process

Background:

- WIC Authorized Vendors can order free of charge shelf talkers, posters, decals, shopping guides, etc. from the California WIC Program.
- These are the only materials vendors are allowed to use in order to identify themselves as a WIC Authorized Vendor or to identify a WIC authorized food item.

Procedures:

You must submit your order using the most current Vendor Materials Order form (OSP 508). To ensure you have the current version, visit our website at www.wicworks.ca.gov. On the left side menu, find Grocers. Click on Authorized Vendors. Click on Vendor Materials Ordering Process (PDF). Orders submitted on older versions of the form (OSP 508) will not be processed.

Step 1: In order to type directly on the fillable order form, you may need to first save a copy to your computer.

Step 2: Enter all information requested on the form (OSP 508). The form must include:

- The 6-digit vendor number from your vendor agreement. If you do not know your vendor number, please call the WIC vendor line at (855) 942-7867.
- Your physical street address. Post Office (PO) box numbers will not be accepted.

For corporate orders: Please speak with your vendor consultant who will help you place an order. If you do not know the name and phone number for your vendor consultant, please call the WIC vendor line at (855) 942-7867 or send them an email at WICVendorInfo@cdph.ca.gov.

Step 3: Following your personal computer settings and instructions to save a PDF, save the completed order form to your computer.

Step 4: To order by email, follow your email server instructions to attach the order form to an outgoing message. Address the email to WICOrders@dgs.ca.gov and send it with the subject line "WIC Materials order form."

Please note:

Orders are filled within 15 working days after they are received by email. To follow up on the status of an order, please call (800) 585-7341 and follow the directions.

Only items listed on the order form are available to order in the maximum limit specified. Your order will not be filled if additional materials or quantities are added to the form.

If you are ordering materials for other stores you own or manage, please notify them that these materials will be arriving.
