AFL 15-15

TO: All Health Facilities
SUBJECT: Fiscal Year (FY) 2015-2016 Health Care Facility License Fee Schedule
AUTHORITY: Health & Safety Code (HSC) section 1266

All Facilities Letter (AFL) Summary

This AFL informs licensees of FY 2015-2016 license renewal fees as approved by the Governor and effective on July 1, 2015.

The attached FY 2015-2016 fee schedule is also available on the California Department of Public Health (CDPH), Center for Health Care Quality (CHCQ), Licensing and Certification Program (L&C) website at:

<http://www.cdph.ca.gov/programs/LnC/Documents/LicCertFeeListing15.pdf>

Please forward a copy of this AFL to the person or company that normally remits payment for renewal of your health care facility operating license.

Renewal Notices

CHCQ will send renewal notice/applications to the facility's licensee 45-120 days prior to the license expiration date. **It is the responsibility of the facility's licensee to obtain a renewal notice.** If the licensee does not receive a renewal notice within 45 days prior to the license expiration date, contact the CHCQ Grant and Fiscal Assessment Unit (GFAU) at RCollection@cdph.ca.gov, or by telephone at (916) 552-8700 or (800) 236-9747.

Late Payment Penalties

HSC section 1266.5 requires L&C to impose late payment penalties for health care facilities and agencies that are delinquent in paying license renewal fees. The post office or delivery service postmark date is used to establish assessment of late payment penalty fees. California law does not allow for a grace period for payment of license fees.

Medi-Cal Offsets

HSC section 1266.5(c) specifies that the department may, upon written notification to the licensee, offset any moneys owed to the licensee by the Medi-Cal program or any other

payment program administered by the department, to recoup the license renewal fees and any associated late payment penalties.

How to Complete Your License Renewal

1. Validate the number of beds/facilities is correctly listed on the renewal fee page. If the number of beds/facilities is not correct, contact your local District Office (DO) immediately so they can correct this information.
2. Clearly print applicable health care facility license number(s) on the front of the payment.
3. Cut off the bottom portion of the renewal notice fee page for each facility and include the slips in the payment envelope/package. Mail only the renewal payment to GFAU at one of the addresses below:

4. Mail the application portion of the renewal notice to the local District Office as indicated at the bottom of the application's last page. Do not mail the application portion to GFAU as this may delay receipt of your license. CHCQ will not be responsible for lost applications.
5. It is strongly recommended licensees use a mailing method that includes the ability to track the status of mailed payments.
6. Please allow 4-6 weeks for license processing.

If you have additional questions, please contact GFAU by email at RCollection@cdph.ca.gov, or by telephone at (916) 552-8700 or (800) 236-9747.
