LABORATORIES PROFICIENT IN BLOOD LEAD ANALYSIS

This list of laboratories proficient in blood lead analysis for Child Health and Disability Prevention (CHDP) program reimbursement is effective as of **September 15, 2011**. Laboratories may be added or withdrawn from the list at any time. For the current status of any laboratory, please call (510) 620-2892.

The laboratories listed have demonstrated proficiency in blood lead analysis by their performance in proficiency testing programs approved by the Centers for Medicare & Medicaid Services (CMS). However, analytical proficiency is just one of the requirements for a laboratory to be eligible for CHDP reimbursement.

Blood lead analysis is subject to the regulations of the federal Clinical Laboratory Improvement Amendments of 1988 (CLIA).
