

California Drug Enforcement Notification

Notification Name

U.S. District Court Enters a Consent Decree of Permanent Injunction Against Med Prep Consulting, Inc.

Injunction Date	Subject Firm	Injunction Details	Order Reason
06/27/13	Med Prep Consulting, Inc. Tinton Falls, NJ	<p>The U.S. District Court for New Jersey has entered a consent decree of permanent injunction against Med Prep Consulting Inc., a New Jersey pharmacy, and the pharmacy's owner Mr. Gerald Tighe.</p> <p>The consent decree enjoins Med Prep from manufacturing, holding, and distributing drug products until it complies with certain requirements of the Federal Food, Drug, and Cosmetic Act and all applicable regulations.</p>	<i>A recent FDA inspection of the pharmacy found insanitary conditions and numerous violations of current good manufacturing practice requirements for drugs. In addition, FDA analyses of product samples found mold in certain injectable drug products labeled as sterile, and revealed that some of the products were sub-potent.</i>
