

PRE-APPROVED DISTANCE LEARNING COURSES

These courses may not be used to satisfy a laboratory requirement.

The Environmental Health Specialist Registration Program offers the following list of pre-approved distance learning courses, in most of the core science subjects and environmental coursework, to satisfy the educational requirements of Health and Safety Code 106635.

The existing protocol for the REHS program to approve *new* correspondence or online coursework requires a request for approval submitted to the REHS program and an individual review of the course syllabus and content, in order to determine whether the course meets the standards for approval. This applies to courses that have already been completed and/or courses in which one plans to enroll. **All coursework must be completed at a regionally accredited institution.**

MICROBIOLOGY

MIC 100 - Microbiology, *TUI University*

BI-234-30: Introductory Microbiology, *Clackamas Community College*

DPPP 376 – Microbiology for Health Professions, *University of New England*

MATH

MATH 1050 - College Algebra, *Utah State University*

MATH 1050-C – College Algebra, *The University of Utah*

ORGANIC CHEMISTRY

Introductory Organic Chemistry X18, *University of California, Berkeley*

DPPP 350 – Medical Organic Chemistry I, *University of New England*

PHYSICS

PHYS 2001 - General Physics I, *Louisiana State University*

BIOLOGY

BIOL 1009 - General Biology, *University of Minnesota*

BIOL 211, XW - Principles of Biology I, *Iowa State University*

BIOL 212, XW - Principles of Biology II, *Iowa State University*

The following courses apply only to OPTIONS III and IV. General basic science credit for Options I and II is not granted for these courses because they are considered applied science.

STATISTICS

STAT 2000 - Statistical Methods, *Utah State University*

BHS 420 - Quantitative Reasoning, *TUI University*

EPIDEMIOLOGY

PUBH 4040 - Fundamentals of Epidemiology, *Utah State University*

BHE 400 – Principles of Epidemiology, *TUI University*

MPH 504 - Epidemiology, *TUI University*

MHE 513 - Risk Assessment and Epidemiology, *TUI University*

PUBLIC HEALTH ADMINISTRATION

POLS 3700 - Introduction to Public Administration, *Weber State University*

ENVIRONMENTAL HEALTH ELECTIVES

MHS 523 - Principles of Environmental Health, *TUI University*

MHS 525 - Food Protection, *TUI University*

MHS 537 - Industrial Hygiene and Occupational Health, *TUI University*

MHS 529 – Housing and Institutions, *TUI University*
