FD	F09C00519	07/21/2009	Dulces Beny Mega Pinta Labios, with a 'sell by date' of January 2009 or greater.	0.07
FD	F09C00520	07/21/2009	Dulces Beny Mega Pinta Labios, with a 'sell by date' of January 2009 or greater.	0.07

These candies were found to be violative due to elevated levels of lead during initial sampling. The manufacturers changed their manufacturing processes and operations in order to ensure that lead levels in the candies will be consistently less than 0.10 ppm. The candies were subsequently re-tested and the level of lead was found to be below 0.10 ppm.

(1) Laboratory: FD - Food and Drug Laboratory

(2) Date of sample analysis, environmental sampling or sample receipt.

(3) The state and federal regulatory limit for lead in candy at the time of these analyses was 0.10 parts per million (ppm). ND denotes that the test result was below the method detection limit for the method used and that this ND level was less than 0.05 ppm.
