<p>II. C. Multiple Contracts</p>	<p>C. Multiple Contracts Applicants may respond to multiple CRDP Phase 2 component solicitations. However, no entity shall be awarded multiple CRDP Phase 2 grants/contracts. A single entity may hold subcontracts from multiple prime contractors within a single contractor/grantee level. For example, an entity might subcontract to multiple TA Providers, but it could not subcontract to the Statewide Evaluator or to a Pilot Project. Proposers should be aware of the potential that planned subcontractors may become unavailable because they are included on a contract in a different contractor/grantee level that is awarded earlier in the process. If planned subcontractors become unavailable, proposers should be prepared to provide a proposed replacement promptly.</p> <p>For purposes of this rule, an entity refers to a private legal entity, a single local government or a single UC, CSU or community college campus.</p>	<p>Clarify eligibility.</p>
