OHE Advisory Committee
September 27, 2013

Initial Assumptions

The OHE Report and Strategic Plan is a statewide plan to provide guidance for reducing disparities and achieving health equity in California.

- ✓ The OHE Strategic Plan will be a CDPH sponsored document.
- ✓ OHE is the keeper of the Strategic Plan and will facilitate the planning process.
- ✓ OHE invites input, expertise and decision-making help from the AC but OHE holds the final decision making authority.

Initial Assumptions

The planning process will:

- Involve AC members in data and strategic planning in collaboration with OHE staff efforts.
- Be fully vetted with stakeholders and the general public in addition to those on the AC, so a wide range of expertise will inform the final plan.
- Be for 2 years with a focus on “laying a strong foundation” for future Strategic Plans.
