

# CHECKLIST FOR TEEN-FRIENDLY SERVICES

The following are some of the key elements of a teen-friendly clinic

---

## **SETTING:**

- Staff is friendly, respectful and helpful.
- Teen-oriented educational materials are available.
- Teen magazines and posters are in the waiting room.
- Materials and information are for both young men and women.
- Signs are posted stating that services are at no cost! Family PACT is advertised through posters/signs.
- Condoms are easily accessible.
- Exam rooms are clean and private.
- Restrooms are provided for both males and females.
- The location is easily accessible by public (bus) transportation.
- A separate entrance or special hours for teens is available.
- The waiting room is private. Windows with view from the street are tinted or covered.
