(LIHP) – FREQUENTLY ASKED QUESTIONS #6

ADAP DATA SHARING WITH LIHPs

Assembly Bill (AB) 1468 permits the Office of AIDS (OA) to share Ryan White HIV/AIDS Program (Ryan White) client data, including ADAP client data, with county LIHPs and allows county LIHPs to share this data with the person to whom the information pertains, the person's HIV care provider and OA. Additionally this new law allows county LIHPs to share data relating to persons diagnosed with HIV/AIDS with OA.

The purpose of this notice is to inform ADAP Coordinators of the new law and to provide you with a copy of the "Ryan White Requirements and the LIHP - Frequently Asked Questions #6" document, which addresses ADAP's data sharing process. This document will also be disseminated to county LIHP administrators by the Department of Health Care Services

For more information regarding Ryan White and LIHP, please visit the OA website at <http://www.cdph.ca.gov/programs/aids/Pages/OARyanWhiteDHCSLowIncomeHealthProgram.aspx>.

To request ADAP client data from OA, the county LIHP Administrator must contact Irene Wong, ADAP Advisor, Irene.Wong@cdph.ca.gov, (916) 449-5799, or Charmaine Montilla, Charmaine.Montilla@cdph.ca.gov, (916) 445-5438 and provide the purpose of the data request.
