All ADAP applicants who may qualify for LIHP must be referred to apply to LIHP **EXCEPT** for applicants with private insurance or Medicare Part D. ADAP will continue to cover any prescription co-pays and/or medication deductibles for private insurance and Medicare Part D clients, whether or not they are co-enrolled in a county LIHP, since county LIHPs cannot cover these costs.

If you have questions regarding your county's LIHP, please contact your local LIHP Coordinator and/or ADAP Coordinator. If you cannot resolve your LIHP questions at the local level, please contact your OA ADAP Advisor: Charmaine Montilla at (916) 445-5438.
