**\*Calendar Year 2015 allocation totals reflect the following:**

1. The Local Assistance Allocation for Calendar Year (CY) 2015 includes Base Funding, which was determined using the HIV Prevention Branch allocation formula.
2. OA used 2011 epidemiological data, the most recent data available, to calculate allocation amounts.

Long Beach is funded through the Los Angeles project area and is therefore not included in the table above.

More information about the OA HIV Prevention Branch funding formula is included in the CY 2015 budget guidance available on the OA website at: [Program Planning and Budget Guidance](#)
