Management Memorandum  
Memorandum Number: 2014-12

Date: October 24, 2014

TO: LOCAL ADAP COORDINATORS  
ADAP ENROLLMENT WORKERS

SUBJECT: UPDATE TO VIRAL LOAD AND CD4 TEST DATE REQUIREMENTS

The purpose of this memorandum is to provide updated guidance to ADAP Enrollment Workers (EWs) regarding the ADAP client eligibility requirements for Viral Load (VL) and CD4 test dates. Currently ADAP requires these tests be dated within six months of the enrollment date.

As you may be aware, evolving clinical standards for HIV/AIDS care have changed and for some HIV-infected persons, these tests are no longer recommended to be done as frequently. Therefore, effective immediately, clients can meet the eligibility requirements for VL and CD4 lab **tests** if they are **DATED WITHIN ONE YEAR of application/re-enrolment date**.

Please contact your OA ADAP Advisor if you have any questions regarding the content of this memo. The most current "OA/ADAP Staff Assignments by LHJ" list is available [on this link](#).
