This training series was created specifically for nurses practicing in Los Angeles. Two continuing education contact hours will be awarded to participants as per the California Board of Registered Nursing. CDU PAETC full training calendar: **www.HIVtrainingCDU.org**

The Charles Drew University Pacific AIDS Education and Training Center is part of a national training network funded by HRSA to train clinicians who treat HIV-positive patients.

The CDU PAETC offers trainings that address the unique training needs of clinicians practicing in Los Angeles. Special attention is given to clinicians treating people of color.

California Board of Registered Nursing: Provider approved by CA BRN, Provider #15484 for 2 contact hours.

“Hunter-Killer 1” by HIV+ artist David Putnam, 2010. Used with permission.
