

**Executive Committee** May 22, 2014  
**2014**

Dear Health Officer,

Lea Morgan  
*President*  
San Bernardino

It is time to pay the CACDC 2014 dues. Your contribution of \$50 per jurisdiction is crucial in allowing our organization to continue working for your needs. **REMEMBER, \$50 is the entire fee for each jurisdiction, even if you have multiple members.**

Barbara Cole  
*Past President*  
Riverside

The CACDC, formed in 2002, continues to grow and with your support has become a well-recognized forum for local CD Controllers throughout the State. As an affiliate of CCLHO, CACDC supports the core public health functions of surveillance, prevention, and control of communicable diseases – services vital to the protection of the public, policy development, and evaluation of public health delivery systems.

Vacant  
*President-elect*

Dawn Terashita  
*Secretary*  
Los Angeles

Our purpose is to support the establishment of recommended goals, standards, and priorities for the control of communicable diseases, make recommendations on proposed legislation, and promote dissemination of knowledge concerning communicable diseases including causes, prevention, treatment, control, and reporting. Just a few recent examples of CACDC activities include a legislative proposal on infection control oversight of ambulatory care settings, recommendations on standardizing HIV reporting, process automation of certain diseases reported through CalREDIE Electronic Laboratory Reporting, and the revision of the enteric diseases matrix. More information about these activities is available at the CACDC website <http://www.cdph.ca.gov/programs/cid/Pages/CACDC.aspx>.

Meileen Acosta  
*Treasurer*  
Solano

**Please take a moment to submit your jurisdiction's 2014 dues.** Please note that this request has also been sent to your Communicable Disease Controller, so please coordinate your county's submission of dues. Also, please take a moment to submit your CD Controller information (Active [Voting] Member) and/or to submit information for any Associate Members using the attached form.
