

Beyond the Basics

Successful Nutrition Education Strategies

Meeting Objectives:

- Evaluate and select *Network* approved resources for grade specific levels.
- Integrate nutrition education into existing resources to better meet the needs of the Pre-K through high school classroom.
- Train teachers on grade-specific nutrition education strategies and resources for effective nutrition education.

**Wednesday,
August 25th
8:30 AM – 4 PM**

Sacramento, CA

For More Information Please Contact:

Jennifer Culp (530) 754-9059
Email: jbculp@ucdavis.edu

Who should attend: Project coordinators, lead teachers, and anyone else interested in learning more on successful nutrition education strategies from preschool to high school.

During this interactive workshop you will learn more about programs being implemented from preschool through high school each using different strategies and resources to integrate nutrition education. Topics covered but not limited to:

- Integrating nutrition into language arts,
- Subject specific nutrition education integration in high school,
- How to approach teachers,
- Preschool resources, parent tips and training tools.

Hear about partner resources: Dairy Council and CHKRC.

Registration fee is \$20. Check or credit card
