Harvest of the Month FFY09 Final Reporting (April 1, 2009- September 30, 2009)

These questions are required for FFY09 Final reporting. Please enter your responses on the online survey, do not send in a paper response.

Harvest of the Month is a comprehensive nutrition education intervention designed to give students, their parents and surrounding communities hands-on opportunities to explore, taste and learn about the importance of eating fruits and vegetables. Monthly materials are comprised of educator newsletters, parent newsletters in English and Spanish, and menu slicks. Posters are also used to promote the health benefits of fruits and vegetables.

If your Contractor Name and Number is not listed in the drop down, please enter your name and phone number in the designated fields.
