Page 2

II. Summary of Program Activities During the Six-month Reporting Period

Network activities include all activities within the Scope of Work, as well as those that come about as a result of program activities. This means that you would report any overlap with other organizations, events or activities if your *Network* program was promoted or involved. Examples: *Network* program or message is "tagged" on a Safeway paid print advertisement that was not funded by the *Network*, but the contractor organization assisted in getting it placed –count as paid print advertising.

*** When asked for impressions: If you do not know the answer, please enter "dk" (stands for 'don't know').*

A. Television Advertising and Public Service Announcements (Social Marketing Tool: Advertising):

1. Did you pay to have ads run on a television station?

Yes

No

2. If yes, what are the estimated consumer impressions that were generated (this should be provided by the station or a media purchasing contractor). **

For Public Service Announcements (PSAs):

3. How many stations did you contact to ask them to play PSAs?

4. How many times did you contact TV stations to ask them to play Public Service Announcements? (# Contacts X number of stations)

B. Television News Coverage (Social Marketing Tool: Public Relations)

1. Did you submit any media alerts or media tip sheets to TV stations about activities your *Network* program was doing in the past six months?

Yes

No

a. If yes, how many media alerts and/or media tip sheets did you submit to TV stations? (# of mailings X number of stations = total)?

2. Did you submit any press releases to TV stations about activities your *Network* program was doing in the past six months?

Yes

No

a. If yes, how many releases did you submit to TV stations? (# of mailings X number of stations = total)?

Reference Only

Page 3

II. Summary of Program Activities during the Six-month Reporting Period (Continued)

This series of questions asks you to report on any TV coverage of stories you received for local events or local news. Do not include interviews you did for state-initiated *Network* Spokesperson Tours (those are reported separately).

** When asked for impressions: If you do not know the answer, please enter "dk" ('don't know').

3. How many press releases or tip sheets resulted in a TV station airing a story?

or Don't know.

4. How many interviews were you granted by television stations?

5. How many interviews resulted in the TV station airing a story?

or Don't know.

C. Radio Advertising or Public Service Announcements Coverage (Social Marketing Tool: Advertising)**For Paid Radio Advertising:**

1. Did you pay to have ads run on a radio station?

Yes

No

2. If yes, what are the estimated consumer impressions that were generated (this should be provided by the station or a media purchasing contractor). **

For Radio Public Service Announcements (PSA's):

3. How many radio stations did you contact to ask them to play PSA's?

4. How many times did you contact radio stations to ask them to play Public Service Announcements? (# stations X # contacts)

D. Radio News Coverage (Social Marketing Tool: Public Relations)

1. Did you submit any media alerts or media tip sheets to radio stations about activities your *Network* program was doing in the past six months?

Yes

No

a. a. If yes, how many media alerts and/or media tip sheets did you submit to radio stations? (# of mailings X number of stations = total)?

2. Did you submit any press releases to radio stations about things your *Network* program was doing in the past six months?

Yes

No

a. a. If yes, how many releases did you submit to radio stations? (# of mailings X number of stations = total)?

This page requires a value for each field. If you answer "no" to any of the preceding questions, the form will automatically fill in the space with 0s. If you conduct only one event, please fill in the rest of the form with 0s.

[Click here for a hint on prefilling form with zeros.](#)

Farmer's Market

1. Did you conduct nutrition education at any farmers' market?

Yes

No

	Activity Type	# of Events Conducted at Farmer's Market	# of Participants (Consumer Impressions) for Activity Type
1.	Taste Test		
2.	Tour of Farmer's Market		
3.	All other promotions		

K. Classes (Personal Sales)

Classes are defined as a single class and/or lesson in a series of separate lessons. Participation is the sum of individuals attending a single class or one lesson in a series. Using these definitions give a consistent measure of nutrition education class and attendance across all classes conducted.

1. Did you conduct any group or one-on-one nutrition education classes?

Yes

No

2. Please complete the following table. You can get the totals from your activity tracking form.

	Classes	# of Classes Conducted	# of Participants for All Classes
1.	Consumer Nutrition Education Classes (i.e., benefits of fruits and vegetables).		

2.	Provider Training (i.e., nutrition education training for teachers, healthy food preparation and safety for staff, SPARK)		
3.	Physical Activity Promotion Class with Nutrition

[Click here for a hint on prefilling form with zeros.](#)

L. Promotional Events (Social Marketing Tool: Sales Promotions)

Events include those which are put on by your *Network* program or attendance at venues put on by another agency that promote your *Network* program and activities. Example: If a *Network* program is promoted at a health fair, but the health fair is funded by another organization then – count it as health fair event and enter booth attendance. If a *Network* program sponsors an entire event, count the entire attendance.

1. Did you conduct *Network* education at any events?

Yes

No

Please complete the following table. You can get the totals from your activity tracking form.

	Promotional Events	# of Events Conducted	# Attended Event
a.	Organized <i>Physical Activity</i> Events with nutrition educations (i.e., community basketball game, 5k fun run/walk, softball tournament)		
b.	Health Fairs/Festivals (i.e., cultural health fair, school health fair, healthy harvest festival)		
c.	Community Forum or <i>Public Meeting</i> (i.e., hunger and nutrition forums)		
f.	Open Houses, Back to School Nights		
g.	Speeches and Conferences		
h.	Other Promotional events:

Page 13

VI. Environmental Change (Social Marketing Tool: Policy Change)

This includes environmental changes within your organization, as well as efforts to facilitate these changes among your partner organizations.

A. As a result of your *Network* efforts for nutrition education, have you observed changes to the physical environment for physical activity, food security and healthy diet?

Yes

No

- If yes, check all that apply:**

Increased distribution and access to fruits and vegetables in local stores, neighborhoods, workplaces, parks and/or communities.

Developed and/or, maintained partnerships between parents, community, schools, organizations to work towards environmental change.

Supported the ability to conduct nutrition education using or community gardens.

Encouraged local restaurants and grocery stores to carry culturally appropriate foods and healthier choices.

Improved food choices served at agency functions (e.g., more fruits and vegetables).

Improved food choices in agency cafeteria.

Increased daily nutrition announcements or tips, posters, or webpages.

Increased opportunities to utilize EBT (Electronic Benefit Transfer) cards for the purposes of increasing access to fruits and vegetables.

Increased access to fruits, vegetables, and physical activity through participation in a school wellness committee.

Increased nutrition information available at qualifying stores, restaurants, and worksites?

Increased healthy options in vending machines in qualifying neighborhoods, parks, community centers and/or worksites.

Increased efforts to limit access to soda and other foods of minimal nutritional value.

Increased the extent of healthy nutrition cues in community, school, and neighborhood settings (outdoor signage, displays, and advertising).

Supported efforts to improve transportation to and from markets.

Other: Please Describe:

Be sure to enter any "other" environmental changes you have completed

Page 14

VI. Policy Change (Social Marketing Tool: Policy Change)

Policies include laws, regulations and rules (both formal and informal). Examples: school board food policies banning the sale of soda and junk food on school campuses; organizational rules that provide time off during work hours for physical activity.

Example 1: Mayor Holden declared March 2001 as African American Nutrition Month in response to active involvement from Pasadena Church of God.

Example 2: Marin County Health Department assisted Lagunitas School District in developing a food policy that was adopted by the school board on July 24, 2001.

A. Because of your *Network* efforts for nutrition education, have you observed any policy changes that pertain to healthy eating, physical activity, or food security?

Yes

No

• If yes, check all that apply:

Support for city ordinances related to nutrition or physical activity.

Support for regulations or rules that decreased or eliminated soda and food / limited nutritional value foods at child care centers and school campuses.

Rules ratified about serving healthier foods at meetings, events, or in the work place.

Rules ratified rules to promote physical activity opportunities, such as walking breaks.

Offered educational and informational support for laws, regulation or rules limited or banning events with sponsorship by soda companies or other competitive food companies.

Collaborated with groups or coalitions that were supporting a policy agenda that promotes *Network* goals.
