

Merchandising Menu

Posters

Greet your customers at the door or in the produce department with seasonal posters. The posters show how fruits and vegetables can be enjoyed all year long, whether you are savoring a summer treat, a warm winter supper, or a light lunch with a coworker.

Available in English and Spanish

These posters can be displayed in our floor stand, countertop sign holder, or spinning kiosk.

28" x 22" poster in a 5.5 foot high floor stand

11" x 21" counter-top sign and recipe card holder

8" x 11" spinning kiosk and recipe card holder

Merchandising Menu

Clings

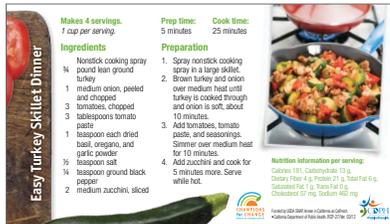

Bring attention to your customers that your store carries fresh fruits and vegetables. Allow your customers to make informed buying decisions in the frozen fruits and vegetables sections.

Recipe Cards

These simple recipes will encourage customers to prepare fruit and vegetable dishes at every meal! These cards can be displayed in our countertop signage for easy access and maintenance.

Available in English and Spanish

Wobblers

These cross promotional wobblers provide preparation tips in every aisle and remind shoppers that fruits and vegetables are a delicious part of every meal.

Available in English and Spanish

Harvest of the Month Newsletter

Our monthly newsletter can be used as an insert in your regular circular or made available for your shoppers to pick up at the door. Harvest of the Month highlights a different fruit or vegetable every month with selection tips and mouthwatering recipe ideas.

Available in English and Spanish

In-Store Radio

Enjoy the use of our 30 or 60 second in-store radio spots. These spots remind customers to pick up plenty of fresh, tasty fruits and vegetables for their families every time they shop.
