September 23-24, 2013 • Garden Grove

8am-5pm both days
Crowne Plaza Anaheim Resort
12021 Harbor Blvd.
Garden Grove, CA 92840
714.867.5555

This in-depth course on infection prevention and control is designed to prepare the IP (infection preventionist) in the long-term care setting to administer an infection control program. This two-day course will cover topics such as Surveillance, Antimicrobial Stewardship, Management of MDROs, Outbreak Management, Employee Health and many other topics presented by experts in the field. The IP will gain knowledge on how to educate other healthcare staff on the basics of healthcare-associated infection.

Sponsored by:

Diagnostic Laboratories & Radiology

Infection Preventionist Training

Day 1

Infection Preventionist Role

Bonnie J. Castle Chustz, RN, BSN, WCC, Director of Education, Skilled Healthcare

Surveillance - Key Element of Prevention & Control

Dolly Greene, RN, CIC, Diagnostics Laboratories & Radiology

Basic Microbiology Review

Peter P. Patterson, MD, MBA, FCAP, FACMQ, Medical Director, Diagnostics Laboratories & Radiology

Enhanced Standard Precautions

Kavita Trivedi, MD, HAI Program, CDPH
Rebecca Siiteri, RN, MPH, HAI Program, CDPH

MDROs

Susan S. Huang, MD MPH, Medical Director of Epidemiology and Infection Prevention, UC Irvine

HAI Infection: Lowering Risk

R. Scott Hatfield, President & CEO, Nosocomial Containment Products, Inc

Antimicrobial Stewardship

Kavita Trivedi, MD, HAI Program, CDPH

Preventing & Managing Outbreaks

Rebecca Siiteri, RN, MPH, HAI Program, CDPH

Day 2

Cleaning & Disinfection of the Environment

Bonnie J. Castle Chustz, RN, BSN, WCC, Director of Education, Skilled Healthcare

Employee Health

Dolly Greene, RN, CIC, Diagnostics Laboratories & Radiology
