<p>Welcome, Introductions and Roll Call</p> <ul style="list-style-type: none">• Chair welcomed all subcommittee members and members of the public
<p>Approval of the June 6th \ 2016 Summary</p> <p>Motion to approve the meeting summary with the following changes: Add "air treatment and water filtration into Phase Two of the subcommittee's current work."</p> <ul style="list-style-type: none">• Motion: D. Wiwchman• Second:J.Silvers <p>Minutes Approved</p>
<p>Subcommittee Mission</p> <p>Chair reviewed the mission and process of this subcommittee. "The mission of the Environmental Cleaning in Healthcare Subcommittee is to protect the public from healthcare-associated infections by establishing best practices in the area of environmental cleaning in California healthcare facilities."</p>
<p>Update to the HAI-Advisory Committee</p> <p>The Subcommittee discussed CDC best practices for environmental cleaning and monitoring HAI prevention. Subcommittee members agreed to include air treatment and</p>

water filtration issues under Phase Two of their current work. Subcommittee members will review information and empirical research findings on these two new areas and bring their recommendations to future subcommittee meetings.

Discussion and Review

The Chair shared the plan for this meeting.

Continue to review best practices for cleaning and monitoring patient rooms.

Evaluate the CDC Environmental Checklist for Monitoring Terminal Cleaning to build a best practice recommendation to all acute care hospitals.

Review links for all CDC related infection prevention best practices for environmental cleaning.

Subcommittee members (research consultants, infection preventionists, and environmental cleaning leaders) all are contributing to develop a best practice recommendation.

Collaborative discussion topics:

Phase 1

Level 1

Daily Room Cleaning

Terminal Room Cleaning

Best Practices and Minimum Standards for California Acute Care Healthcare Facilities Recommendation for Environmental Cleaning, Monitoring, and Disinfecting Facilities, Devices, Equipment and Linens

Phase 2

Level 2

CDC Best Practices for Environmental Cleaning and Monitoring

Level 2 Recommendations to be added:

Water Treatment and Air Filtration

Environmental Cleaning in the Emergency Department

Recommendation to present a first draft of the Phase 1 checklist(s) to HAI Advisory Committee at the August 11th meeting.

Action Items

Subcommittee to review all CDC Infection Prevention /Environmental Cleaning guidelines

Subcommittee members to review the CDPH HAI Program webpage and provide comments <http://www.cdph.ca.gov/programs/hai/Pages/EnvironmentalCleaning2016.aspx>
