

WHAT IS CULTURE?

it makes our paycheck the second reason we work here

it is the satisfaction we get from our work

it is knowing I can own and learn from my mistakes

it is how we treat each other

it's what drives us to go the extra mile

it is what unites us in our common cause

it is why we need to celebrate when times are good and sometimes when they are not

it is what drives us to perform

it is how we act when someone is in need

IT IS WHAT MAKES US A TEAM

it is the feeling you get when you overcome a challenge

it is our commitment to greatness

it is how we feel when our work is appreciated
