

Adult Hepatitis Vaccine Usage Log

| |
|---------------|
| Refrigerator: |
| Time Period: |

Instructions:

1. Make copies of this sheet for your future use. (Please note that the CA IZ Program cannot supply this sheet in bulk.)
2. Place a copy of this sheet on the door of the refrigerator in which you store your Adult Hepatitis vaccine.
3. Record a tick mark for each dose of Hepatitis vaccine you remove and administer.
4. When you are ready to order Hepatitis vaccine, add the number of tick marks for each vaccine.
(This is your vaccine usage for the time period covered by the sheet.)
5. Record your vaccine usage for each vaccine in the appropriate place on the Adult Hepatitis Vaccine Order Form.
6. Place the completed sheet in your files for future reference.
7. Place a new copy of the sheet on the refrigerator.

| VACCINE | USAGE |
|--------------------------------------------------|-------|
| Hepatitis A | |
| Hepatitis B | |
| Hepatitis A/Hepatitis B Combination (Twinrix) | |
