ADDENDUM #2
January 16, 2015

This addendum modifies the instructions regarding required letters of support and local stakeholder coalition members in the CA PREP RFA (Pages 13 and 25), Attachment 6: CA PREP Local Stakeholder Coalition Roster, and Attachment 7: Local Stakeholder Coalition Member Letter of Support.

Regarding the requirement that a letter of support be included from the local Maternal, Child and Adolescent Health Director or their public health designee:

If applicants are unable to obtain a letter of support and/or commitment to participate in the local stakeholder coalition from their local MCAH director, please submit a brief justification explaining why a letter could not be obtained. If the justification is valid (e.g., due to CA PREP curricula subject matter, the local MCAH director is unwilling or unable to provide a letter in support of CA PREP services), this requirement will be waived and will not have any negative impact on the applicant's proposal score or funding award decision.
