SUBJECT: NEW MCAH DIRECTORS' ORIENTATION MEETING BINDER

Welcome to all new MCAH Directors! We look forward to working with you to improve the health of California's women, children, adolescents, and families.

This is your copy of the New MCAH Directors' Orientation Meeting binder. The purpose of the binder is to provide you with current information that will assist you in performing the duties of a MCAH Director in your Local Health Jurisdiction. The contents are a supplement to the New MCAH Directors' Orientation Meeting held on May 19 and 20, 2008, in Sacramento.

This is the only hard copy of the binder you will receive. As you review the contents, you will notice each tab references specific MCAH Program Websites for your convenience. Please check the MCAH Website for updates to program information contained in this binder, as information does change on a regular basis. The main MCAH Program Website address is: <http://www.cdph.ca.gov/programs/MCAH/Pages/default.aspx>.

Thank you for your ongoing commitment to serving our target populations.
