# GSO Service now offered by
# The California Prenatal Screening Program

## *** At No Cost to You ***

**To use Golden State Overnight (GSO) to transport Prenatal Screening Specimens to a California Program laboratory, please complete this form and fax or email to Sheila Steffke at GSO (contact information is below). To email or print your own copy, you can download this form from:**
**http://www.cdph.ca.gov/programs/pns/Pages/OvernightCourierMaterials.aspx**

**Phone: 916-636-5137 Fax: 916.636.5105 email: ssteffke@gso.com**

**With GSO, you have three options for specimen delivery. If you have patients drawn at least 3 days per week, GSO can regularly pick specimens up at your office. If not, you may drop specimens at any GSO drop box. To find the locations of drop boxes in your area, go to GSO.com, select "tools," and then "drop box locations." Enter your ZIP code to view the closest drop box locations. Alternately, you may call GSO Customer Service at 1-800-322-5555 to arrange individual pickups.**
