SCREENING QUESTIONS

Hello, my name is _____ and I am calling you on behalf of the California Department of Health Services and University of California. This is not a sales call. We are conducting a survey of tobacco use among Chinese adults. Your household has been randomly selected to participate. Your participation is voluntary, but since only a few households have been chosen, it is very important that we get your responses. The information will be used to provide better health programs for your community. The survey takes about 20 minutes of your time and of course all your answers will be kept confidential. We just have a few questions to see if your household is eligible to participate.

1. First, may I verify that this is (telephone number) and that there are one or more persons of Chinese descent living in this household?
