Let's Get On WIC: Certification Modules**

**The following are some questions or topics  
that you may need to**

***AYS: ASK YOUR SUPERVISOR***

**Write down the question or topic now and  
when you get back to the office you can AYS**

| <b>Question or Topic</b> | <b>Answer</b> |
|--------------------------|---------------|
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |

| <b>Question or Topic</b> | <b>Answer</b> |
|--------------------------|---------------|
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |

| <b>Question or Topic</b> | <b>Answer</b> |
|--------------------------|---------------|
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
|                          |               |
