

**BEFORE YOU PROCEED WITH
SUBMITTING AN APPLICATION
PACKAGE, YOU MUST:**

- Own or lease a retail store location.
 - If you have land without a building, the WIC Program will not accept your application package.
- Provide a copy of a valid health permit or a health inspection report indicating the store you are applying for passed the required health inspection.
- Have a valid California Seller's Permit for the new store.
 - A California Seller's Permit is not required if you are selling only WIC authorized foods in your store.
- Sign and date the Stocking Requirement Certification. Upon signature of the Stocking Requirement Certification, you are certifying that your store at that time, and continually thereafter, meets the Vendor Minimum Stocking Requirement.
 - The Vendor Minimum Stocking Requirement shall only include stock on store shelves. Inventory in storage or on order and not delivered is not acceptable.
- Be prepared for an on-site inspection following successful completion of vendor education.
 - The date of the on-site inspection will be determined by the State.
 - Requests for postponement of an on-site inspection will not be accepted.

I have read and understand the above.
