

WIC Authorized Food List
Shopping Guide Changes
March 28, 2016

March 28, 2016 WAFL SG

Using Your WIC Checks

- 1 Look for the WIC logo to know where to shop.

- 2 Take your signed WIC ID Folder with you to the store.

- 3 Use your checks starting on the "First Day to Use" and no later than the "Last Day to Use."

- 4 Look at "What to buy" on your check. Choose WIC authorized foods using your WIC Authorized Food List Shopping Guide.

- 5 Group your WIC foods by each check.

- 6 Tell the cashier right away that you are using WIC checks.

- 7 Give your WIC ID Folder and checks to the cashier.

- 8 The "Exact Purchase Price" is then filled in by the cashier on each check at the register.

- 9 After the purchase price has been entered, sign your WIC checks in front of the cashier.

- 10 Your alternate on file with WIC must sign your WIC ID Folder before they shop for you. Teach your alternate how to shop with WIC checks.

- 11 You must buy the full amount of formula printed on the Infant Formula WIC Checks. You may, however, choose to buy less of the other foods printed on the checks.

- 12 The WIC Fruits and Vegetables Check has a printed dollar value. If your purchase costs more than the amount on the check, you may pay the extra amount.

- 13 You will not receive change from any WIC check transaction.

Important WIC Authorized Food List Shopping Guide Information

Authorized food items are specific to each individual food category and subcategory. Each food category is printed in all CAPS and white font, which will be used only for food category names.

If a manufacturer makes a non-material change to an authorized food in food categories for which specific brand and/or product names are authorized, CDPH will continue to authorize that food for purchase. Non-material changes are changes to brand name, product name, and/or product or logo artwork.

The WIC Authorized Food List Shopping Guide can be downloaded from the WIC website at www.wicworks.ca.gov. If you are a WIC participant, you can also get a copy from your local WIC agency.

For non-exclusive lists of eligible products, visit: www.cdph.ca.gov/programs/wicworks/Pages/WIC-CAFoodListsDatabase.aspx.

- Malitol
- Maltitol
- Monk fruit
- Nectresse
- NutraSweet
- Sorbitol
- Splenda
