It is the responsibility of the submitters to notify CDPH/WIC as soon as possible of all product changes (and the effective date of each change) to any of their products listed in the California WIC Food List Database; examples of product changes include, but are not limited to: package design, container size, ingredients, and/or discontinuance of a product or size. Product change notifications must be e-mailed to [WICFoods@cdph.ca.gov](mailto:WICFoods@cdph.ca.gov)
