**NOTICE OF PROPOSED EMERGENCY REGULATORY ACTION  
REGARDING  
CARDIAC CATHETERIZATION LABORATORY  
DPH-12-006E**

Pursuant to Government Code Section 11346.1(a)(2), notice is hereby given that the California Department of Public Health (Department) proposes to adopt on an emergency basis Title 22, California Code of Regulations, Division 5, Article 6, Section 70438.2.

This notice is being provided at least five working days prior to the filing of the proposed emergency regulatory action with the Office of Administrative Law. A copy of the text of the proposed emergency regulations and a finding of emergency are enclosed.

This notice is solely a notice of intent to file the proposed emergency regulations and should in no way be confused with the notice specified in Government Code Sections 11346.4 and 11346.5. The Department shall provide separate notice of the subsequent 45-day public comment period, during which you may submit comments regarding the emergency regulations.

Inquiries concerning this notice may be directed to Linda M. Cortez of the Office of Regulations at (916) 440-7807.

**In any inquiries, please identify the action by using the Department regulation control number, DPH-12-006E.**
