

Spring 2014 Food Industry Training

The Food and Drug Branch, Industry Education and Training Unit (FDB - IETU) is pleased to announce training events for the food industry. The workshops are **FREE** of charge to all food companies with a valid Processed Food Registration issued by the Branch. Advance registration is required.

1) Current Good Manufacturing Practices

This is an introductory and comprehensive training on the cGMPs for food facilities as outlined in Title 21, CFR, Part 110, covering facilities and grounds, personnel, equipment, and processes and controls.

Who Should Attend:

Front-line food handlers, managers, supervisors and owners.

2) Food Recalls: Essentials for Action

This training will discuss the development and implementation of a recall plan and what food companies should do after a food recall event.

Who Should Attend:

Employees, managers, and owners who have responsibility for developing and implementing food recall plans.

3) Allergen Control for Food Processors

This training covers key elements for control of food allergens in food facilities, compliance with federal and state laws, including the Food Allergen Labeling and Consumer Protection Act, how to develop an allergen control plan and much more.

Who Should Attend:

Front-line handlers, managers, supervisors and owners.

Register Today- Seats are limited!

Complete the attached registration form and return it by the registration deadline to:

FDBTraining@cdph.ca.gov or by Fax: **(916) 440-5456**. For questions regarding the workshops, please call: (916) 650-6707 or (916) 440-7989.

CDPH – Food and Drug Branch
