

# California Department of Public Health Food and Drug Branch

**FREE**

## Winter 2014 Food Industry Training

The Food and Drug Branch, Industry Education and Training Unit (FDB - IETU) is pleased to announce training events for the food industry. The workshops are **FREE** of charge to all food companies with a valid Processed Food Registration issued by the Branch. Advance registration is required.

### 1) Current Good Manufacturing Practices (**cGMP**)

*Learn cGMPs basics for food facilities outlined in Title 21, CFR, Part 110. We will cover facilities and grounds, personnel, equipment, and processes and controls.*

**Who Should Attend:**

*Front-line food handlers, managers, supervisors and owners*

### 2) Food Recalls: Essentials for Action

*This training will discuss the development and implementation of a food recall plan and what food companies should do after a food recall event.*

**Who Should Attend:**

*Employees, managers, and owners who have responsibility for developing and implementing food recall plans*

### 3) Allergen Control for Food Processors

*This training covers key elements for control of food allergens in food facilities, compliance with federal and state laws, including the Food Allergen Labeling and Consumer Protection Act, how to develop an allergen control plan and much more.*

**Who Should Attend:**

*Front-line handlers, managers, supervisors and owners*

***Register Today- Seats are limited!***

Complete the attached registration form and return it by the registration deadline to:

[FDBTraining@cdph.ca.gov](mailto:FDBTraining@cdph.ca.gov) or by Fax: **(916) 440-5456**. For questions regarding the workshops, please call: (916) 650-6707 or (916) 440-7989.
