The committee will also discuss the December 27, 2011, Attorney General's Opinion concerning Department of Public Health's Forensic Alcohol Program (Opinion 10-501). The committee's current draft regulatory work product is available on the Food and Drug Laboratory Branch website listed below. The current regulations are available on line at [www.calregs.com](http://www.calregs.com).

The meeting will be conducted from 10:00 AM to 3:00 PM as an audio/video teleconference from three sites: California Department of Public Health, Richmond Campus, Room B-137 located at 850 Marina Bay Parkway, Richmond, CA 94804; California Department of Public Health, 1500 Capitol Avenue, Room 526, Sacramento, CA 95814; and the San Diego County Aging and Independence Services Administration, MSSP Conference Room, 5560 Overland Ave., 3<sup>rd</sup> Floor, San Diego, CA 92123.
