NOTICE OF AVAILABILITY FOR PUBLIC REVIEW AND COMMENT:

MARCH 2011 DRAFT SAFE DRINKING WATER STATE REVOLVING FUND (SDWSRF) PROJECT PRIORITY LIST (PPL). COMMENTS DUE BY APRIL 1, 2011

The March 2011 Draft SDWSRF PPL is now available for public review and comment. The draft PPL is a ranking of all public water system projects that have applied to be considered for SDWSRF funding. Only those projects listed on the PPL are eligible for funding consideration. In July 2010, CDPH advised all public water systems of the opportunity to submit projects for consideration of the SDWSRF funding. Approximately 275 pre-applications for new or revised projects were received by CDPH during the July 2010 open pre-application period. Projects listed on the previous PPL remain on the draft 2011 SDWSRF PPL unless funded. When finalized, the March 2011 SDWSRF PPL will be used to identify projects to be invited for funding, and will continue in use until superseded.

Interested parties may review the 2011 SRF PPL posted at <http://www.cdph.ca.gov/services/funding/Pages/SRF.aspx>
