Please note: This list represents the projects for which applications were submitted and their ranking based on CDPH's application review. All projects/applications receiving a ranking will be formally evaluated for funding eligibility. CDPH will contact each applicant in the order of ranking, to conduct an in-depth evaluation of the applicant's proposed Work Plan and project intent to determine funding eligibility. Project Work Plans and associated tasks must be approved by CDPH prior to award of funding and may be subject to the availability of said funding.

CDPH is currently working with applicants on 3 other projects to finalize the proposed Work Plan and resolve other pertinent issues. CDPH continues conducting an in-depth review on 2 more projects down the list. These applicants will be contacted once the review concludes.
