- Retirement and Separation Benefits
- Flexible Schedules
- Public Transit Reimbursement (limits apply)

A complete list of all benefits may be viewed at <http://www.calhr.ca.gov/employees/Pages/salary-and-benefits.aspx>

POSITION DESCRIPTION: Senior Clinical Laboratory Technologist includes those employees under general medical direction who are in charge of and perform technical work in a small clinical laboratory. Employees in this class may also work in a large clinical laboratory under the direction of a supervisory clinical laboratory technologist. Such employees are in charge of a specialized laboratory unit or act as general assistant to the supervisor and give technical supervision to other technologists.

Positions exist with the California Department of Public Health in Richmond, CA in Contra Costa County.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION: It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement by **July 30, 2015**, the final filing date. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications/resumes **must** include "to" and "from" dates (month/day/year), time base, civil service class title(s), and range (if applicable) for all work experience. College course information **must** include title, number of semester or quarter units, name of institution, completion dates, and degree (if applicable).

Applications received without this information will be rejected. Applicants must submit a copy of official transcripts along with the application when using education to meet the entrance requirements for this examination.

MINIMUM QUALIFICATIONS: Qualifying experience may be combined on a proportionate basis if the following requirements include more than one pattern and are distinguished as either I, or II, or III, etc.

Possession of a clinical laboratory technologist's license or a similar license of equal or higher level issued by the State Department of Health Services (California Department of Public Health). **and**

Experience: One year of experience in comprehensive clinical laboratory work which has involved making pathological analyses.

GENERAL QUALIFICATIONS: In addition to the scope defined on this announcement, candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

EXAMINATION INFORMATION: The examination will consist of a Supplemental Application that is weighted 100%. Applicants are required to respond to the following **five** supplemental items. These supplemental items are designed to identify job achievement in specific areas that demonstrates ability to successfully perform at the Senior Clinical Laboratory Technologist level. Responses to the supplemental items will be assessed based on predetermined job-related rating criteria. In appraising the relative qualifications of candidates, consideration will be given to the extent and type of pertinent experience and education over and above that required under the minimum qualifications.

The California Department of Public Health reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

EXAMINATION SCOPE: In addition to evaluating the candidate's relative abilities as demonstrated by quality and breadth of experience, emphasis will be placed on measuring, relative to job demands, each competitor's:

KNOWLEDGE OF:

1. Techniques, materials and equipment used in laboratory analyses.
2. College level science.
3. Principles of quality control and quality assurance in a laboratory setting.
4. Clinical Laboratory Improvement Amendments (CLIA).
5. Ordering, storage and utilization of consumable laboratory supplies and equipment.
6. Levey Jenning chart.
7. Principles and practices of clinical laboratory work.
8. Principles and practices of the use and care of laboratory equipment.
9. Preparing, mounting and staining specimens.
10. Reading test and recognizing the normal and the abnormal.
11. Setting up and troubleshooting laboratory apparatus.
12. Wassermann and Widal tests.
13. Serological, bacteriological, and biochemical tests and analyses.
14. Current literature in the clinical laboratory field.
15. Personal computers.
16. Personal protective and safety equipment (PPSE).

ABILITY TO:

1. Write legibly.
2. Accurately record data.
3. Communicate in verbal and written form.
4. Follow directions to successfully complete a variety of tasks and comply with health and safety standards.
5. Perform repetitive routine work.
6. Read color coded data from biochemical test systems and instrument read outs.

7. Read and write English at college level.
8. Work with minimal supervision.
9. Perform complex testing.
10. Work efficiently, effectively and cooperatively in a group.
11. Review and release information and documentation to Physicians.
12. Make quick and accurate serological, bacteriological and biochemical tests and analyses.
13. Prepare laboratory reagents and solutions.
14. Maintain a neat and orderly workspace to maintain health and safety standards.
15. Perform high quality hand-eye coordination to accomplish the tasks of the job.

SUPPLEMENTAL APPLICATION: Each applicant for this examination **must** complete and submit responses to the **five** supplemental items that follow. Answer questions independently and completely; incomplete responses and omitted information cannot be considered or assumed. Resumes, letters of reference, and other materials will not be evaluated or considered as responses to items in the supplemental application. **YOUR RESPONSES ARE SUBJECT TO VERIFICATION** and should be an accurate reflection of your personal experience.

Applications received without responses to the supplemental items will be rejected.

INSTRUCTIONS: When responding to the supplemental items, please follow these guidelines:

- Your responses must be typewritten or generated by word processing on 8½" X 11" paper.
- Your font should be typed in 12 pt., Arial font.
- Responses must be limited to one page per item; any additional pages over the one page per item limitation will not be reviewed.
- Identify each page with your full name.
- Make sure your responses are complete, specific, clear, and concise.
- Answer each numbered item separately, indicating the corresponding item number for each response. (You may include multiple responses on a single page.)
- Include place of employment, pertinent dates, duties performed, examples, etc., when responding to items.
- In the event that one particular job contained responsibilities applicable to several items, separate the different functions of the job in order to respond to all items completely.
- Please return your state application (678), two copies of the Supplemental Items and the Conditions of Employment (631) to the address listed on the front of the bulletin.

NOTE: Resumes, letters, and other materials will not be evaluated or considered as responses to the supplemental items.

SUPPLEMENTAL APPLICATION ITEMS

1. Describe your knowledge of and experience with working at different biosafety levels.
2. Describe your personal knowledge of and experience with the quality control procedures that must be performed and documented when preparing microbiological media.
3. Describe your personal knowledge of and experience with ensuring proper laboratory safety against laboratory hazards.
4. Describe your personal knowledge of and experience with ensuring the quality of the final product when preparing culture media, reagents, or chemicals.
5. Describe your knowledge and experience with the performance characteristics that are required in order to establish performance specifications for a test system.

ELIGIBLE LIST INFORMATION: Possession of the entrance requirements does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. A departmental open list will be established for use by the department(s) listed on this announcement. The list

will expire 24 months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, and 6) open. When there are two lists of the same kind, the older must be used first.

VETERANS PREFERENCE: Will be awarded in this examination, pursuant to Government Code Section 18973.1, effective January 1, 2014, as follows: 1) Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veterans' preference; 2) An entrance examination is defined, under the law, as any open competitive examination; 3) Veterans' Preference is not granted once a person achieves permanent civil service status.

HOW TO APPLY FOR VETERANS' PREFERENCE: The California Department of Human Resources (CalHR) has information on how to apply for Veterans' Preference on their website at www.jobs.ca.gov and on the Application for Veterans' Preference form ([CalHR 1093](#)). Additional information is also available at the Department of Veterans Affairs website at www.cdva.ca.gov.

SECURITY INFORMATION FOR PARTICIPANTS
Preparation, Development, Review of
State Civil Services Examination Material

EXAMINATION TITLE: SENIOR CLINICAL LABORATORY TECHNOLOGIST

State law requires that civil service examinations are confidential and impartial. We ask that you assume a personal responsibility in maintaining the competitive aspects and confidential nature of this examination. The personal information that you provide on this form is required for documentation purposes. All information will remain confidential.

As a candidate, you must comply with the following test security standards:

1. **DO NOT REVEAL** the fact that you are participating in the examination process to anyone.
2. **DO NOT DISCUSS** any aspect of the examination with anyone. This includes supervisors, peers and co-workers. This security limitation includes information on all questions and answers.

I certify that:

1. I will not reveal to anyone that I am participating in this examination.
2. I will not discuss any aspect of this material with anyone.
3. I will adhere to all the established security measures.

I hereby certify and understand that the information provided by me in this supplemental application is true and complete to the best of my knowledge and contains no willful misrepresentation or falsification. I further understand that this information may be verified and that, if it is discovered I have made any false representations, I will be removed from the promotional list resulting from this examination, and possibly dismissed from civil service.
