How to Obtain a Certified Copy of a Birth Record

AVAILABILITY OF RECORDS

Birth records are available 21 days after the date of event. You may request a copy from either the county of birth or from the California Department of Public Health – Vital Records (CDPH-VR). CDPH-VR issues vital records for all of California where as counties can only issue records for events that occurred in that county.

If CDPH-VR cannot locate the record based on the information you provide, the law authorizes CDPH-VR to retain the fee for the search, and CDPH-VR will issue a Certificate of No Public Record (CNPR).

IF THE RECORD NEEDS AMENDMENT

Amendments to original birth records are frequently submitted to CDPH-VR to correct errors or add information to original documents. Copies of amended certificates may be requested at the same time the amendment is submitted. The applicant receives a certified copy once the amendment is completed.

- If you request a certified copy before the amendment has been completed, you may receive either: a copy of the un-amended record, or a CNPR if CDPH-VR is not able to locate the record.
- If you know that the record is being amended, and it is in the amended record that you want, please wait until after the amendment has been completed before requesting a certified copy.

CERTIFIED COPIES AND SWORN STATEMENTS

There are two types of certified copies available upon request:

1) **Certified Copy** (authorized persons only)

A certified copy can be used to establish the identity of the person named on the certificate.

If you are requesting a certified copy, you MUST provide a notarized sworn statement (see page 5 of application) declaring under penalty of perjury that you are authorized by law to receive the certified copy (see application for list of authorized individuals).

If you are requesting a certified copy and a notarized sworn statement is not included, CDPH-VR will not accept your request for processing.

Note: Only one sworn statement is required for multiple records that are requested at the same time – however, the sworn statement must include the name of each person whose record is being requested and your relationship to that person.

2) **Certified Informational Copy** (any interested person)

If you are requesting a certified informational copy, you DO NOT need to provide a sworn statement.

A certified informational copy has a legend printed on the face of the document that states, "INFORMATIONAL, NOT A VALID DOCUMENT TO ESTABLISH IDENTITY." Persons who are not eligible to receive a certified copy can receive a certified informational copy.

Both types of documents are certified copies of the original document on file with CDPH-VR. Depending on the exact year of event, some certified informational copies will have signatures and Social Security numbers redacted (concealed).

Completed "Application for Certified Copy of Birth Record" (VS 111).
Notarized sworn statement (if applicable).
\$29 fee per copy requested (check or money order in US dollars, made payable to
CDPH-Vital Records) NO CASH.

APPLICANT NOTIFICATION

Once your request has been received and evaluated:

- If your request is not accepted (e.g., due to insufficient fees, insufficient information, etc.), the request will be returned with a letter explaining what needs to be corrected; or,
- If your request is accepted, CDPH-VR will process the application and mail out a copy of the certificate(s) you requested.
