*Social Security Number Disclosure: Pursuant to Section 666(a)(13) of Title 42 of the United States Code and California Family Code section 17520. subdivision (d), the California Department of Public Health (CDPH) is required to collect Social Security numbers (SSNs) from all applicants for nursing assistant, home health aide, hemodialysis technician certificates or nursing home administrator licenses. Disclosure of your SSN is mandatory for purposes of establishing, modifying, or enforcing child support orders upon request by the Department of Child Support Services and for reporting disciplinary actions to the Health Integrity and Protection Data Bank as required by 45 CFR subsection 61.1 et seq. Failure to provide your SSN will result in the return of your application. Your SSN will be used by CDPH for internal identification, and may be used to verify information on your application, to verify certification with another state's certification authority, for exam identification, for identification purposes in national disciplinary data bases or as the basis of a disciplinary action against you.
 **Effective May 22, 2018, the California Department of Public Health will be required under a court order to release the address of record for certified nurse assistants, home health aides, certified hemodialysis technicians, and licensed nursing home administrators in response to a Public Records Act (PRA) request. Court Order: Service Employees International Union-United Healthcare Workers v. California Department of Public Health, Sacramento County Superior Court, February 21, 2018, No. 34-2017-80002636.
