

**PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT
ADVISORY COMMITTEE MEETING
TUESDAY, APRIL 4, 2023 – 10:00 AM – 12:00 PM
PROGRAM DESCRIPTIONS – D7**

In 1981, Congress authorized the Preventive Health and Health Services (PHHS) Block Grant to 61 grantees, including all 50 states, the District of Columbia, two (2) American Indian tribes, and eight (8) U.S. territories.

The Centers for Disease Control and Prevention (CDC) allocates funds to grantees to address their unique public health needs in innovative and locally defined ways. California (CA) will utilize its award to address Healthy People 2030 Objectives and emerging health issues; provide leadership in developing and implementing Emergency Medical Systems throughout CA; and optimize the health and well-being of the people of CA.

The following is a brief summary of the proposed FFY 2023 PHHS Block Grant Programs that are identified in the Allocations Table (D8). Notice of this Advisory Committee meeting was published on the California Department of Public Health's PHHS Block Grant webpage on March 7, 2023. A hard copy of this document is available at the security desk, located at 1616 Capitol Avenue, Sacramento, CA 95814.

The documents presented in this meeting and the court reporter transcript will be included in the record of these proceedings.

**PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT
ADVISORY COMMITTEE MEETING
TUESDAY, APRIL 4, 2023 – 10:00 AM – 12:00 PM
PROGRAM DESCRIPTIONS – D7**

Program Title	Program Description	Allocation
Advancing Climate Change and Health Programs at local health departments, tribes and within CDPH	This program will support California Department of Public Health (CDPH) programs, tribes, and local health departments to prepare for and prevent the health and equity impacts of climate change. It will also support CDPH programs, tribes and local health departments to improve social determinants of health and meet existing health program objectives through engagement with climate change policy and planning.	\$604,515
CA Asylum Seeker Health Surveillance and Linkage to Care	This program is an active surveillance and rapid public health response program for individuals seeking asylum and intending to reside in CA. Active surveillance increases early identification of infectious diseases of public health significance, and services facilitate linkage to healthcare services and disease control.	\$230,477
CA Behavioral Risk Factor Surveillance System (BRFSS) Program	BRFSS is a CA-specific surveillance system that surveys adults 18 years and older on self-reported health behaviors. Questions in the survey relate to nutrition, physical activity, tobacco use, hypertension, blood cholesterol, alcohol use, inadequate preventive health care, and other risk factors. Because the survey is conducted on an annual basis, the continuous use of this system allows analysis of trends over time.	\$283,213
Cardiovascular Disease Prevention Program	This program aims to increase the number of adults successfully controlling their high blood pressure to reduce illness and death associated with heart disease and stroke. The program utilizes Comprehensive Medication Management’s team-based care approach, linking attending physicians, community pharmacists, stroke coordinators, and community health workers to help post-stroke patients achieve better hypertension control and reduce the risk of stroke recurrence. This program also promotes cardiovascular health through collaboration with the Healthy Hearts California alliance members via biannual webinars and is updating California’s Master Plan for Heart Disease and Stroke Prevention and Treatment.	\$831,847

PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT

ADVISORY COMMITTEE MEETING

TUESDAY, APRIL 4, 2023 – 10:00 AM – 12:00 PM

PROGRAM DESCRIPTIONS – D7

Emergency Medical Services (EMS) Prehospital Data and Information Services and Quality Improvement Program	This program provides for pre-hospital EMS data submissions into the state EMS database system and unites the EMS system under a single data warehouse, fostering analyses on patient care outcomes, public health system services, and compliance with CA state and federal EMS service laws. The Program improves pre-hospital EMS services and public health systems statewide by providing measurable quality improvement oversight, resources, and technical assistance.	\$1,207,869
EMS Systems Operations, Planning, and Specialty Care	Emergency Medical Services Authority, through its EMS Systems Division is mandated to provide oversight of EMS systems, the statewide Trauma System, Stroke and ST-Elevation Myocardial Infarction (STEMI) Systems, EMS for Children, and the CA Poison Control system. The EMS Systems Division has statutory and regulatory oversight responsibility of the EMS system for the State of CA and promulgates regulations for use by local EMS agencies and EMS providers, reviews and approves annual local EMS system a plans ensuring statutory and regulatory compliance, and manages the state's EMS data collection, performance management and quality assurance. EMS Systems Division staff provide state leadership and oversight, to ensure the EMS Act is upheld and the best quality of care is available, reducing the proportion of persons who are unable to obtain or delayed in obtaining necessary medical care in an emergency.	\$1,450,242
Health in All Policies	This program facilitates the CA Health in All Policies Task Force, provides consultation to non-health agencies to integrate health and equity into their policies, programs, and procedures, and builds CDPH and Local Health Department capacity to promote health equity and implement Health in All Policies approaches through collaboration and integration of health and equity considerations statewide.	\$578,875
Healthy People 2030 Program	This program supports the overall efforts of the PHHS Block Grant by enhancing the accountability and transparency of the PHHS Block Grant through measuring progress and impact of funded programs through quality improvement initiatives, as well as communicating current accomplishments.	\$816,704

PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT

ADVISORY COMMITTEE MEETING

TUESDAY, APRIL 4, 2023 – 10:00 AM – 12:00 PM

PROGRAM DESCRIPTIONS – D7

Injury Prevention Program	This Program seeks to maintain and strengthen injury prevention as a core public health function and ensure capacity to address on-going and emerging cross-sector issues through programming, surveillance, and strategic planning for a range of topics including: healthy aging, Adverse Childhood Experiences (ACEs), School Based Health Centers, childhood injuries, and firearm-related injuries and fatalities. These injury areas stretch across the lifespan, affecting all age groups, and present significant opportunities to impact and increase longevity and well-being through evidence-based prevention strategies	\$1,108,074
Public Health Accreditation Program	CDPH has been accredited by the Public Health Accreditation Board (PHAB) since 2014. The Public Health Accreditation Program (PHA) coordinates all internal activities relating to maintaining CDPH's accreditation status, and provides technical assistance and support to all California Local Health Jurisdictions (LHJs) that are pursuing or considering PHAB accreditation or reaccreditation.	\$58,596
Rape Prevention Program	This program approaches sexual violence from a public health perspective. Like CA's smoking campaign that has made smoking unacceptable, it aims to change the behaviors and norms that make sexual violence tolerable by building the capacity of CA's local rape crisis centers to implement sexual violence primary prevention strategies.	\$825,408
Surveillance Sampling of Leafy Greens	The goal of this program is to collect surveillance samples of high-risk food products that are known to be susceptible to microbial contamination, evaluate them for microbial contamination, and initiate interdiction efforts to remove them from the marketplace if determined to be adulterated, thereby preventing consumer exposure and reducing the incidence of food-borne illness.	\$195,319

PREVENTIVE HEALTH AND HEALTH SERVICES BLOCK GRANT

ADVISORY COMMITTEE MEETING

TUESDAY, APRIL 4, 2023 – 10:00 AM – 12:00 PM

PROGRAM DESCRIPTIONS – D7

The Office of Policy & Planning	This program builds cross-sectoral engagement in CDPH's State Health Assessment (SHA) and State Health Improvement Plan (SHIP) by enhancing capacity to address crosscutting priorities defined by public health through Comprehensive Assessment, Integrated Planning, and Collective Action addressing crosscutting priorities defined by public health with the purpose of organizing for impact.	\$943,753
Toxicological Outbreaks Program	This program supports the administrative and technical infrastructure at CDPH to conduct non-infectious toxicological disease outbreak investigations.	\$122,074
Tuberculosis Free CA	This program promotes prevention strategies to reduce tuberculosis (TB) disease among populations at higher risk in CA. This is the sole statewide program focused on TB prevention, with the aim of reducing morbidity, mortality, health disparities, and healthcare costs associated with TB disease. Program activities include development of culturally and linguistically appropriate patient education, measurement of testing and treatment of TB infection at key clinical sites, and provider training on evidence-based testing and treatment strategies to prevent TB disease.	\$585,958
Workforce Development: Preventive Medicine Residency (PMR) and CA Epidemiologic Investigation Service (Cal-EIS) Fellowship	PMR and Cal-EIS programs are the key workforce pipeline for hard-to-fill epidemiology and public health physician positions in CA state and local public health agencies. Trainees perform data and policy analyses, provide disease outbreak and emergency preparedness response; community needs assessments and planning, clinical preventive medicine, systems quality improvement, etc.	\$672,281
