

## California Parkinson's Disease Registry (CPDR) and California Neurodegenerative Disease Registry (CNDR)

### Instructions for Requesting Tabulated Data

The purpose of this application is to provide a standard set of guidelines for requesting aggregated data from the CPDR/CNDR. Tabulated data are deidentified, aggregated data table(s) that do not include any personal information or have a risk reidentification. Tabulated data is released in accordance with the [California Health and Human Services \(CHHS\) Data De-Identification Guidelines](#) (DDG) which is also used to determine the appropriate threshold level of data release. If you require confidential, record-level data, please see the [Data Disclosure Policies and Procedures from the CPDR/CNDR \(pdf\)](#) for how to apply for confidential data. Please also see the Data Disclosure Policies for general information about data release such as guidelines for publication, acknowledgments, and disclaimer(s). Please submit your request or any questions to [CDSRBHelp@cdph.ca.gov](mailto:CDSRBHelp@cdph.ca.gov).

#### Requestor Information

Name:	Date:	
Title:		
Organization:		
Street Address:		
State:	ZIP Code:	Phone:
E-mail:		

#### Tabulated Report Information

Description and content of Report: *(Please provide a brief description of the data table(s) you are requesting. Please describe the contents of the data table (i.e., Number of Parkinson's cases by county for 2019)).*

Date Range: *(Which years should be included in the data table? Shorter time ranges will impact releasability according to the DDG.)*

Data Fields: *(Please provide a list of the data elements to be included in the data table(s). Variables may include age, race/ethnicity, county, diagnosis code/year, etc.)*

Data Table Example: (Please provide the example of how your output table should be displayed (headings only; example data is not necessary). You may alter the table headings in the example below or provide your own attachment. We will not be able to fulfill your request without a data table example.)

**Example: Number of Parkinson’s Cases by County and Ethnicity for 2019.**

County	Ethnicity		Total
	Hispanic or Latino	Not Hispanic or Latino	
Alameda	#	#	#
Alpine	#	#	#
Amador	#	#	#

**Your Requested Data Table**

	#	#	#
	#	#	#
	#	#	#

Note: A list of data elements that CPDR/CNDR is collecting can be found in [Neurodegenerative Disease Guide to Reporting](#) or visit [www.cdph.ca.gov/parkinsons](http://www.cdph.ca.gov/parkinsons). However, not all data elements are available. In cases where data requests are excessively granular, some numbers will be suppressed or combined to ensure compliance to DDG.
