TO THE HONORABLE SECRETARY OF STATE OF CALIFORNIA:

We, the undersigned, registered, qualified voters of California, residents of the above mentioned County (or City and County), hereby propose amendments to the Constitution and statutes of California, relating to the imposition and distribution of excise taxes on cigarette and tobacco products, and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election prior to that general election or otherwise as provided by law. The proposed constitutional and statutory amendments read as follows:

TOBACCO TAX AND HEALTH PROTECTION ACT OF 1988

SECTION 1. This measure shall be known and may be cited as the Tobacco Tax and Health Protection Act of 1988.

SEC. 2. The people find and declare as follows:

(b) Tobacco-related diseases create immense suffering and personal loss, and a staggering economic cost at which all Californians have to pay.
(c) Tobacco-related diseases are a major burden on state and local governments by requiring them to provide medical care and health services.
(d) Tobacco use causes substantial environmental damage, and property damage and loss of life due to fire.
(e) To reduce the incidence of cancer, heart, and lung disease and to reduce the economic costs of tobacco use in California, it is the intent of the people of California to increase the state tax on cigarettes and tobacco products and do all of the following:

(1) Reduce smoking and other tobacco use among children.
(2) Support medical research into tobacco-related cancer, heart, and lung diseases.
(3) Treat people suffering from tobacco-related diseases.
(4) In recognition of the uncompensated costs of tobacco-related illnesses, support treatment of patients who cannot afford to pay for services.

(b) There shall be imposed upon every distributor a tax upon the distribution of tobacco products, based on the wholesale cost of these products, at a tax rate, as determined annual by the State Board of Equalization, which is equivalent to the combined rate of tax imposed on cigarettes by subsection (a) and the other provisions of this part.

30124.
