

Tobacco Retail Laws

MATERIAL ORDER FORM

These materials have been developed by the California Department of Public Health, California Tobacco Control Program (CDPH/CTCP) to help you understand the State tobacco control laws that affect retail businesses.

Orders for these materials are only accepted from retailers, law enforcement agencies, local tobacco retail licensing agencies, and CDPH/CTCP-funded agencies. Orders are limited to 1,000 pieces annually for each piece. Quantities of the "We Check ID" cling are limited in supply and available while supplies last.

Please complete the form below to receive your FREE material.

Title	Title #	Quantity
Stop Tobacco Access to Kids Enforcement (STAKE) Act – Age of Sale Warning Adhesive Sign This 10.2" x 4.4" sign is required by state law to be visible at each point of sale by the California Business and Professions Code Section 22952. It is also required on each vending machine that sells tobacco products. Quantities may be limited.	J295	
No Tobacco or E-Cigs Under 21 We Check ID – Window Cling This 5"x 5" window cling can be placed on a window surface to let customers know they will be asked for ID by a sales person if purchasing cigarettes or e-cigarettes. Quantities may be limited.	J296	

Mail, fax or email your order to:

TECC, a project of ETR
100 Enterprise Way, Suite G300
Scotts Valley, CA 95066
Fax: (831) 438-1442
