

# TAKING CARE OF YOURSELF AT WORK IS TAKING CARE OF YOUR FAMILY.

**COVID-19 vaccines greatly  
reduce your risk of severe  
illness, which means you can  
keep providing for your loved  
ones at 100%.**

**It helps keep you out  
of the hospital and  
in the workplace.**

**DON'T MISS  
A DOSE.**

**PROTECTED AT WORK**
