# HOAC Early Fall Projects

- ▶ Meet Your Health Officer Meetings: non-advocacy meetings with legislators to introduce them to their health officer(s)
- ▶ Drafting internal white papers on issues we believe may be raised in the legislature soon
- ▶ Health Officer Orientation Cohort 2 starts tomorrow
- ▶ Desk reference guide for health officers reporting to the state
  - ▶ Example: HSC 11642: Upon learning of an illegal drug lab, the local health officer must either abate the public health threat or notify CDPH. *So...who at CDPH do you notify and how?*
  - ▶ Please let HOAC know if you have had specific challenges with reporting to the state or recommendations on the desk reference.
