REQUEST INFORMATION

What section of CDPH regulations are you requesting relief from?

Please describe why you need relief from this requirement, and how that need is tied to the circumstances of the declared disaster.

Regulatory relief to produce non-cannabis hand sanitizer is subject to the conditions below. Please check each box affirming that you understand and agree to comply with these conditions, if approved.

Hand sanitizer production must be conducted separately from any active cannabis production areas, and measures shall be taken to prevent cross contamination.

Hand sanitizer must be produced using good manufacturing practices, and batch production records must be maintained.

Hand sanitizer must be donated at no cost and distributed only within California.

Hand sanitizer must be produced using a formulation [approved by the Food & Drug Administration \(FDA\)](#) and be labeled according to FDA guidance.

The cannabis manufacturer will complete the temporary drug manufacturing registration process with the California Food & Drug Branch, as required by California law.
